Dear Friend, Colleague, or Supporter:

We invite you to consider becoming a sponsor or advertiser for the 67th Annual Conference of the Education Law Association (ELA). This year's hybrid conference will be held October 20 through 23, 2021, at the historic Sheraton Gunter Hotel in San Antonio, with the option of virtual participation.

For 67 years, ELA has served as a unique forum and fellowship for the exchange of legal knowledge among a wide diversity of practitioners and scholars of education law. ELA's membership includes individuals in every professional role and in every state.

ELA's Annual Conference attracts hundreds of scholars and practitioners from all over the U.S., as well as Canada and a number of other countries. This uniquely diverse gathering draws attorneys, professors, education leaders and administrators, graduate and law students, teachers, public officials, consultants, reporters, and other stakeholders from the worlds of PreK-12 and higher education; public, private, and charter; colleges of education and law schools; plaintiff- and defense-side; and labor and management. The program features an array of panel discussions, concurrent sessions, round table discussions, and poster sessions on a range of substantive topics as well as on the teaching, study, and practice of education law. It provides for ample networking, socializing, discussion of shared interests, special opportunities for students and for first-time attendees, and recognition of excellence in the field through the bestowing of five annual awards.

The conference provides sponsors and advertisers a range of opportunities for for high visibility messaging and support of speakers or parts of the conference program, special events, specific attendees like graduate or law students, conference operations, and ELA's overall mission of promoting legal literacy. To review the range of available options see our [Sponsorship & Marketing Opportunities](#) summary sheet.
